Parent information

Dear Parents,

It was great seeing everyone at Open House. The students did a nice job adjusting to first grade today. I am looking forward to working with your child this year.

We had a couple questions about the supply list. The students will need scissors, a sock for an eraser on their white boards, and headphones.

It would be a good idea if they bring in a **water bottle everyday**.

This year we will be sending home all their papers they did on **Mondays**. We will put them in a **Graded Paper Folder**. You should go through them with your child and then sign and return the folder on **Tuesday**.

Remember you can go to our **website** and see their spelling words, high frequency words, when we will have our **specials**, and the newsletter that will go home on Mondays.

Make sure that if you have any questions please email us.

Thanks,
First Grade Teachers
