

# First Grade Newsletter

## Week of September 6, 2022

Dear Parents,

The students did a nice job reading for 10 min. each night. Please sign the Reading Log in their homework folder. Keep the Reading Log in the folder till they receive a new one.

Remember every Monday they will get all their papers they did the past week. Go over the papers with them and sign and return the folder the next day. You can keep their papers at home.

This week we will have our first spelling test on Friday. These are words we have been practicing in class and that they can sound out.

Please check with your child to see if they still need to bring in scissors.
